# ACL Congregate Meal Program

## NUTRITIONAL RISK SURVEY

Questions:	Yes	No
1. Has the client made any changes in lifelong eating habits because of health problems?		
2. Does the client eat fewer than 2 meals per day?		
3. Does the client eat fewer than five (5) servings (1/2 cup each) of fruits and vegetables every day?		
4. Does the client eat fewer than two (2) servings of dairy products (milk, cheese, yogurt etc.) each day?		
5. Does the client sometimes not have enough money to buy food?		
6. Does the client have trouble eating due to problems with chewing or swallowing?		
7. Does the client eat alone most of the time?		
8. Without wanting to, has the client lost or gained 10lbs. In the last 6 months?		
9. Is the client <u>not</u> always physically able to shop, cook and/or feed themselves (or get someone to do it for them)?		
10. Does the client have 3 or more drinks of beer, liquor or wine almost every day?		
11. Does the client take 3 or more different prescribed or over-the-counter drugs per day?		
Total the "YES" column. Totals of 6 or higher are considered Nutrition Risk. TOTAL
