Advocacy Networking Breakfast

Friday, March 28, 9 – 10:30 am

70 Bath St, Providence, RI 02908

March for Meals sponsors are invited to attend a special, first-of-its-kind event: an exclusive tour of our headquarters. This unique opportunity allows sponsors to network with legislative champions of our mission—state elected officials who support our cause—while enjoying coffee and light refreshments. It's a chance to connect with key advocates, learn more about our work, and engage in meaningful conversations in a relaxed and welcoming setting. We're excited to host this inaugural event and celebrate the vital role our sponsors play in advancing our mission.
