March for Meals sponsors are invited to our second annual Advocacy Networking Breakfast, a signature event connecting community partners, legislators, and advocates who support Meals on Wheels of Rhode Island's mission. Sponsors will have the opportunity to engage with policy leaders over coffee and light refreshments, while **all sponsors are recognized with event signage**. This growing event highlights the vital role sponsors play in advancing Food Is Medicine initiatives, expanding nutritional access, and supporting policies that help Rhode Islanders live healthier, more independent lives.

***Customized packages and year-long partnership proposals are available**
